Georgism, also called geoism and single tax (archaic), is an economic philosophy holding that, while people should own the value they produce themselves, economic value derived from land (often including natural resources and natural opportunities) should belong equally to all members of society. Developed from the writings of the economist and social reformer Henry George, the Georgist ...

Like many kids growing up I was a big fan of the movie Karate Kid. So, of course, when the remake came out I watched it as soon as it came on on video. And it is better than the originals. Possibly because it is more suited to our time, or our evolving tastes in movies (this doesn't apply to those who hated the movie...there must be some who do).
