The law of the United States comprises many levels of codified and uncodified forms of law, of which the most important is the United States Constitution, the foundation of the federal government of the United States. The Constitution sets out the boundaries of federal law, which consists of Acts of Congress, treaties ratified by the Senate, regulations promulgated by the executive branch, and ...

NEW € EURAM Grants. EURAM Grant Scheme. Call for Applications: EURAM Grants Scheme announcement. One of EURAM's aspiration is to support rigorous and relevant research in the field of business and management, with implications and relevance to the European research community.

### **EURAM**

Project management is the practice of initiating, planning, executing, controlling, and closing the work of a team to achieve specific goals and meet specific success criteria at the specified time. A project is a temporary endeavor designed to produce a unique product, service or result with a defined beginning and end (usually time-constrained, and often constrained by funding or staffing ...
