

on an irish island pdf

There have been various names for the state that is today officially known as Ireland. The state makes up almost five-sixths of the island of Ireland. Northern Ireland, a part of the United Kingdom, covers the rest of the island. When the state was created in 1922 it was named the Irish Free State. In 1937 it adopted a new constitution which claimed all of the island of Ireland as its territory ...
